To simplify things I have placed the scenery felt pieces in a plastic bag on the container by the felt board. Also, we have new background pieces that can be found in the second drawer of the container. I will still give you the rest of the felt pieces you need for your story but I thought it would be easier if all the scenery and background pieces were readily available to you each Sunday.

If you cannot be at church on your assigned Sunday, please find a replacement and contact the church office.

If you have any questions or concerns call Brenda at 785-337-2396 or text at 785-268-0920.

Thank you for your service to Children's Church!
