To simplify things I have placed the scenery felt pieces in a plastic bag on the container by the felt board. I will still give you the rest of the felt pieces you need for your story but I thought it would be easier if all the scenery pieces were readily available to you each Sunday.

If you cannot be at church on your assigned Sunday, please find a replacement and contact the church office.

If you have any questions or concerns call Brenda at 785-337-2396 or text at 785-268-0920.

Thank you for your service to Children's Church!
