Splitting Children's Church is going very well. Thank you for all the help and support you have given this ministry. I feel blessed to work with each one of you!

I will be having my right knee replaced January 7th. Dominic has offered to pick up the teacher's manual each week and get it to the next people teaching. He is a very responsible young man and I know this will go well.

If you cannot be at church on your assigned Sunday, please find a replacement and contact the church office.

If you have any questions or concerns call Brenda at 785-337-2396 or text at 785-268-0920.

Thank you for your service to Children's Church!
