We have been blessed with some craft items that were not used in Bible School. They are in the two plastic carts with drawers. Please feel free to use these items for Children's Church when you are teaching.

If you cannot be at church on your assigned Sunday, please find a replacement and contact me or the church office.

If you have any questions or concerns call me at 785-337-2396 or text at 785-268-0920.

Thank you for your service to Children's Church!
